

BEFORE YOU SELECT YOUR CLASS ...

Please take note of these 3 very important items.

1. ENROLLMENT IS A 2-STAGE PROCESS

FIRST- Locate your class from the list and follow the prompts for paying your fees. Be sure to read and take note of all relevant information about your class.

SECOND - Upon completing your payment you will be directed to our Online Academy where you must set up your profile. This is what allows US to actually enroll you into the class you have selected.

2. **PRICING:** Unless indicated, classes run Saturday through Tuesday and the normal fee is \$1495.00. International class prices vary and some classes carry a reduced price, called a "Stimulus" discount. Locations are made "hot" once training location details are available.
